If you forget your password, select forgot password and an email will be sent to create a new password.</p> <p>If you can't remember the email you registered, contact a staff member for assistance.</p>

FREQUENTLY ASKED QUESTIONS

ACTIVE WORLD

Is the App free?	Yes
Why do I have to update/enter my banking details?	To make paying for classes easier and more convenient for you going forward, we have moved over to Debit Success. This will allow you to set up a direct debit and pay weekly for your ongoing lessons. There is no longer any need to pay an upfront term fee.
What if my child can't attend a class?	There's no need to contact us if your child will be absent from their lesson. Simply go to the Active World app at least two hours before your class starts and select that your child will be absent from their lesson. If you put your absence in at least two hours before your class starts you will automatically receive a makeup class which you can book in yourself, using the app, at your convenience.
What if I need to suspend my child's lessons?	If you know in advance you will be absent from class for up to two weeks (e.g. going on holiday) you can suspend your lesson. This means that you will not be charged for the lesson and will not receive a makeup class. However, you will keep your spot in the class for when you return. Please speak to the desk supervisor to arrange this as this cannot be processed through the Active World app.
How to I opt-out of classes?	Your classes will be ongoing until you let us know you wish to cancel. Please speak to the desk supervisor to arrange this as this cannot be processed through the Active World app.
How often does my child get assessed?	The children are being assessed constantly as all children progress in their own way and their own time. The APP is a good indicator of the skills that have been achieved as well as their progression along the way.
I just changed class days however the app has our old class day listed.	The APP and Active World sync in live time. If your class day is showing incorrectly in your schedule, please contact the centre to ensure you are booked into the correct class.
Once my child completes a level/program what do I do?	Advise the Centre staff and they will help you arrange a new class for your child. Alternatively use the messenger function to find out available new level/program class times and advise staff of the class you would like to move into
